

# **Dell Future Workspace Skills Training Program at R.A. College Washim**

## **Report**

Date: October 21, 2022, to October 24, 2022

Venue: Ramanujan Hall, R.A. College Washim

Organized by: Department of Computer Science in collaboration with IQAC

The Dell Future Workspace Skills Training Program, a collaborative effort between the Department of Computer Science and the Internal Quality Assurance Cell (IQAC) at R.A. College Washim, unfolded from October 21 to October 24, 2022, in the prestigious Ramanujan Hall.

### **Key Highlights:**

#### **1. Expert Trainers:**

Mr. Vishwas Kedari, with 12 years of experience in the social work field, and Madam K Suchita, a seasoned professional with 7 years in Human Resource Management, led the training with expertise.

#### **2. Diverse Participants:**

The workshop catered to a diverse group of participants, including girls from Arts, Commerce, and Science streams in UG and PG, as well as 11th and 12th-grade students, promoting inclusivity in skill development.

#### **3. Inauguration by Dr. R.F.Pagariya Principal R.A.College, Washim:**

The program's inaugural ceremony had the honor of hosting Dr. R. F. Pagariya Principal R.A. College, Washim and the Chief Guest Dr. R.G. Maske, Director of IQAC, their insightful remarks emphasized the pivotal role of skill development in shaping the future of the participants.

#### **4. Comprehensive Curriculum:**

The training program, covering Communication Skills, Life Skills, Interpersonal Skills, Corporate Grooming & Etiquettes, MS Office proficiency, Workplace Readiness, and Resume Writing & Interview Preparedness, provided a holistic approach to employability skills.

#### **5. Structured Schedule:**

The daily sessions, running from 11 a.m. to 5 p.m., with a well-planned break at 2 p.m., ensured an optimal learning environment for the participants.

### **Outcomes:**

#### **1. Skill Enhancement:**

Participants gained valuable insights into diverse employability skills, enhancing their overall skill set and preparing them for the professional world.

#### **2. Certification:**

The program, in collaboration with the National Skill Development Corporation (NSDC) and Dell, awarded participants with a certified course, bolstering their credentials in the job market.

#### **3. Community Engagement:**

The workshop fostered a sense of community engagement, bringing together girls from various academic backgrounds for mutual learning and growth.

### **Conclusion:**

The Dell Future Workspace Skills Training Program at R.A. College Washim, organized by the Department of Computer Science in collaboration with IQAC, was a resounding success. This collaboration exemplified a shared commitment to empowering young women with the skills necessary for a competitive job market.
