

Workshop on "Empowering Academia: Unleashing the Power of Computers in Education and Administration"

Report:

Date: December 20, 2023

Time: 12:30 PM

Venue: Ramanujan Hall, R. A. College, Washim

The One Day Workshop organized by the Department of Computer Science at R. A. Arts, Shri M. K. Commerce & Shri S.R. Rathi Science College, Washim, on December 20, 2023, aimed at enlightening teaching and non-teaching staff about the transformative role of computers in education and administration.

The workshop commenced with a warm welcome from Mr. G.P. Gawali, the Head of the Department of Computer Science, serving as the coordinator for the event. He expressed gratitude to the honourable Chairman, Shri Thakurdasji Malani, President of RES, Washim, for his unwavering support in organizing the workshop.

Mr. Pankaj Sanghavi, Director of Create Learning Online Academy, delivered an enlightening keynote address. He focused on the evolving role of Management Information Systems (MIS) and Learning Management Systems (LMS) in academia. Mr. Sanghavi emphasized the importance of becoming techno savvy in the ever-changing technological landscape.

The workshop was honoured to have Dr. O.B. Zanwar, Principal of R.A. College, Washim, and Dr. P.Y. Dabhade, Principal of Adv. R. Rathi Law College, Washim, as chief guests. Both dignitaries shared valuable insights into the role of computers in shaping education, highlighting the significance of MIS, LMS, and the necessity for techno savvy individuals in academia.

Topics Covered:

Role of MIS (Management Information Systems):

Understanding the importance of data management and information systems in educational institutions.

Exploring how MIS contributes to effective decision-making and organizational efficiency.

Role of LMS (Learning Management Systems):

Unveiling the functions and benefits of LMS in modern education.

Discussing the integration of LMS for course management, online learning, and student engagement.

Role of Computers in Academia:

Analyzing the multifaceted contributions of computers in teaching, research, and administrative tasks.

Showcasing real-world examples of successful implementation.

Becoming Techno savvy:

Providing practical tips and strategies for individuals to enhance their technological skills.

Promoting a culture of continuous learning and adaptation to technological advancements.

A dedicated question and answer session allowed participants to seek clarification and delve deeper into the topics covered. The interactive nature of the session facilitated a fruitful exchange of knowledge.

In the closing segment, Dr. H.V. Wanjari Vice Principi R.A.College,Washim expressed gratitude to all participants, speakers, and guests for their active participation. He highlighted the workshop's success in achieving its objectives of empowering academia through a better understanding of the role of computers.

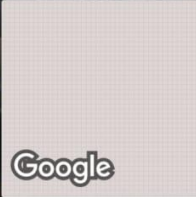

The One Day Workshop on "Empowering Academia" proved to be a significant and insightful event, fostering a culture of technological awareness and innovation among the academic and administrative staff. The commitment of R. A. Arts, Shri M. K. Commerce & Shri S.R. Rathi Science College to excellence was evident throughout the workshop.
