

## Workshop on training for preparation and production of biofertilizers: 30/12/ 2021

### Report:

Department Of Microbiology (UG, PG And Research Centre) in collaboration with "student unit of *MICROBIOLOGISTS SOCIETY OF INDIA(MSI)*" have organized a training session of production and preparation of Biofertilizers for students. Program was held in department of microbiology from 2.00 pm till 4.00 pm on 29<sup>th</sup> and 30<sup>th</sup> December 2021. Program of two days was been successfully conducted by lecturer P.S. Sadar. The information regarding production, preparation and importance of *Biofertilizers* was represented in theory (demonstration) on the first day and practically on the second day. Students of MSC 1st year and 2nd year took the active participation. Feedbacks and opinions were collected from all the students after successful completion of the program.
